

Eastern Mining Collectors Association

Spring Meet & Show

Saturday March 24th 2012

Carter Caves State Resort Park
Olive Hill, KY

Mining Artifacts Show hours:
8:30am-4:30pm

Vendors from across the USA will be here selling, buying & trading various mining artifacts from the Eastern US coal mines & the western US hard rock mines (gold/silver/copper mines).

All types of mine lighting will be available, including carbide lamps, oil wick lamps, flame safety lamps & miner's candlesticks. Blasting items (black powder/squib), mine signage, UMWA items, photographs, posters, carbide lamp parts (felts, gaskets, tips, etc) will also be available. Along with much, much more!

Just about everything coal/hard rock mining will be right here at the Eastern Mining Collectors Association Spring Meet & Show!

Open to the public & Free Admission.
